

ALASKA IMMUNIZATION REQUIREMENTS RELIGIOUS EXEMPTION FORM

Alaska Immunization Regulations 4 AAC 06.055, 4 AAC 62.450, and 4 AAC 60.100 require that all children in Alaska public/private schools, certified preschools, and licensed child care facilities be immunized against *pertussis* (for children less than 7 years of age), *diphtheria*, *tetanus*, *polio*, *measles*, *mumps*, *rubella*, *hepatitis A*, *hepatitis B*, *varicella* (for children in child care facilities and preschools) and *Haemophilus influenzae type b* (for children less than 5 years of age in child care facilities or preschools), unless he/she is exempt for medical or religious reasons.

Religious exemption requests must contain the wording found in the Alaska Administrative Code [4 AAC 06.55(b)(3) or 4 AAC 62.450(c)(2)] stating all vaccines must be received unless the child "has an affidavit signed by his [4 AAC 62.450(c)(2) says "the child's"] parent or guardian affirming that immunization conflicts with the tenets and practices of the church or religious denomination of which the applicant [4 AAC 62.450(c)(2) says "the parent or guardian"] is a member.

If a RELIGIOUS exemption is requested, complete the information below and return this form to the school, preschool, or child care facility.

Name of Child _____ Birthdate _____

Name of Facility _____ Address _____ City _____ Telephone _____

* **NOTE:** Personal or philosophical exemptions are not allowed under Alaska regulations.
