## Notes:

A licensed Georgia physician, Advanced Practice Registered Nurse, Physician Assistant qualified employee of a local Board of Health or the State Immunization Office is responsible for the content and certification of this certificate with legible name, address, signature and date of issue. All dates must licely do not be do not be seen from the content and content and certification of this certificate with legible name, address, signature and date of issue. All dates must licely do not be do not be do not be seen from the content and content and certificate with legible name, address, signature and date of issue. All dates must licely do not be include month, day and year. In cases of natural immunity or Medical Exemption, the 4 digit year of infection, test or exemption must be filled in the appropriate box(es). The certificate is NOT valid without name and birthdate of the child, date of expiration OR "X" in Complete for Attendance box. A school or facility official is responsible for keeping a current valid certificate on file for each child in attendance. A certificate must be replaced within 30 days after expiration. When a child leaves or transfers to another facility, the Certificate of Immunization should be given to a parent/guardian or sent to the new facility.
